

**This photographer is from Oahu , but
he is gaining international fame.**

**He's a surfer himself and often gets
wiped out just getting the shot,**

and you can see why!

**These incredible images of waves
were taken by the**

number one photographer of surf...

Clark Little..

**He has dedicated his life to
photographing the waves**

**and has published a selection of the
best images of his career.**

**He captures magical moments inside
the "tube," as surfers say.**
